

GAMS

Group of Applied Mathematics & Stochastics
organizes international (student) conference

SPMS 2011

Stochastic and Physical Monitoring systems

June 27 - July 2, 2011, Křižánky, Czech Republic
Bukáček - training centrum VTS

Registration & abstracts before 1.6.2011 at: gams@fjfi.cvut.cz
More information: <http://gams.fjfi.cvut.cz/>

Organizing committee: Václav Kůs (coordinator), Milan Krbálek, Tomáš Hobza,
Jitka Hanousková, Petr Veverka - KM Trojanova 13, 120 00 Praha 2, CZ
Proceedings available after the conference

Sect. 1: Stochastic monitoring systems (Robust statistics, Geographic characteristics estimation, System Identification, Divergences)

Sect. 2: Physical Monitoring Systems (Traffic monitoring, Agent systems modeling, Material diagnostics, Acoustic emission, Software testing)
